

2018 Membership Application

Join with Critical Access Hospitals (CAHs) from across the country to educate Congress, CMS, and other organizations about the importance of CAHs. We work together as a bipartisan Coalition to develop new federal policies impacting CAHs, including reimbursement, regulations, and other actions. We focus only on issues impacting CAHs. The Coalition delivers a positive message about the important role of CAHs in maintaining and improving the health of rural Americans.

Please visit our website at www.cahcoalition.com for more information.

Benefits of Membership

1. Work with peers to develop new federal policies favorable to CAHs.
2. Raise your hospital's profile with your members of Congress, Centers for Medicare & Medicaid Services (CMS), and other Administration officials.
3. Receive updated material about issues that you can use with your boards, physicians and others in your community.
4. Participate in regular communications through phone conferences, in-person meetings, and CAH-specific webinars.
5. Receive weekly newsletters providing up-to-date information on health care policy.

Membership Dues

The fee for joining the CAH Coalition is \$5000 a year, to be paid quarterly, or one annual fee of \$4800. Invoices will be emailed to the primary contact for each CAH.

For CAHs in a health system, owned or managed by another company, dues payments are structured as follows:

- 1st CAH in a state is \$5000 a year (paid quarterly) or \$4800 in one payment.
- 2nd - 5th CAH in same state is \$2500 each per year.
- If more than 5 CAHs in a single state, please contact us.

A member may withdraw from the CAH Coalition with 30-days written notice to the CAH Coalition.
